A Message from the Interim Rector

Dear Fellow Parishioners,

Transition is never easy. We tend to like the comfortable, the familiar and steer away from the unknown. Clearly, for Episcopalians, that has been one of the things that define us. Most remember the old joke, “How many Episcopalians does it take to change a light bulb? Four. One to change the bulb and three to talk about how much better the old one was.

As All Saints continues this time of transition from Bob Friend’s leadership toward an unknown future we will do so not sitting idle. This is a time to take stock of our present realities, challenge current perceptions, and work actively for the future.

It is my joy to be with you as we work in the present to build this part of Christ’s body. Together we will explore, question, lift up, and give thanks for all the things that make All Saints what it is.

The possibilities are limitless. The only limitations are those we impose on ourselves. To quote St. Paul, “...forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus.” The prize is clearly within our reach. We have a firm foundation on which to build and an even more firm commitment to move forward in power and strength.

May God’s grace and peace be with all of us as we move toward the future that is ours.

George

Wednesday Night Lenten Programs

Five Wednesdays: February 29 – March 28:

Picture This: The Slums of the big town, as packed with drama and danger as the squalored streets of some native quarter. In the heart of this melting pot of crime stands an oasis where one man struggles against forces that turned his loved ones to lives of violence and shame.

Into this atmosphere walks the most ruthless character you have ever seen on the screen. A killer returning to the slums that nurtured him, and to the man who strangely enough was his boyhood comrade. From the meeting of this strange pair revolves the most devastating blast of drama to hit the screen since Public Enemy!

Angels with Dirty Faces

(The Life and Times of Jesus Christ or Rocky Sullivan?)

Join DAN KNIFFEN on Wednesday evenings during Lent for supper at 6pm and an intergenerational viewing of this 1938 classic and discussion. Is it about Jesus or Rocky....only you can decide for sure..... (Children through Grade 5 have their own separate program.)

5:30pm Holy Eucharist in the Chapel*

6:00pm Supper in the Parish Hall* – see menus below.

6:30–7:30 ADULTS/YOUTH: ***Angels with Dirty Faces.***

CHILDREN: ***Now We Can Celebrate Passover!***

Kids up to Grade 5 discover the foods of Passover, create crafts, and learn that Jesus is the true Passover Lamb!

*A Nursery for two and under is provided 5:30–7:30pm.

Wednesday Night Suppers!

There are some really great things planned for Wed. Nights. A fantastic program! Good Food! And a few Surprises! If you or your group would like to help with one of the Lenten Suppers, contact coordinators, MARY BRUCE DEVOE, 353-9557 or JACKIE DAVIDSON, 282-9372. We are going to have a lot of fun!

So mark your calendars now! Suppers are at 6:00pm, Wednesdays, February 29–March 28.

communiqué emails.

Preschool Corner

The New Year Begins!

The Preschool has gotten off to a busy start in 2012. We were thrilled to have so many parents here for teacher conferences and for Super Song Bird's performance. Students enjoyed a special "Doughnuts with Dads" in each of our classes.

FLOWER/ALTAR GUILDS

THANKS to the wonderful cooperation of the congregation, we had an absolutely beautiful sanctuary for Christmas. Never have we had such an abundance of gorgeous greens for decorating the church. The magnolia, holly and assorted needled branches were breath taking to behold. The yards of our parishioners must be very well pruned. The donations for the poinsettias were generous and the poinsettias that were delivered for the shut-ins and for decorating the church were the prettiest that we have ever had.

We also had wonderful help to make the transition from Advent to Christmas. It takes a lot of "worker bees" to get this accomplished and this year we had a number of people who were involved in this operation for the first time. It was fun to be part of this preparation and making new friends in the process was a special bonus. Even the weather cooperated this year and we did not have to blaze trails in the snow. Thank you to all the Altar Guild and Flower Guild members who gave so generously of their time. Did you notice how the brass gleamed in the candlelight? That was because the gentlemen of the Brass Guild did their job, too. —Martha Wade

Give us, O God, the vision which can see your love in the world in spite of human failure.
Give us the faith to trust your goodness in spite of our ignorance and weakness.
Give us the knowledge that we may continue to pray with understanding hearts.

And show us what each one of us can do to set forward the coming of the day of universal peace.

--Frank Borman, Apollo 8 commander
