

THE MUSIC EDUCATION FUND

At All Saints, choristers gain far more than musical training. Through the rich tradition of Anglican church music, girls and boys develop confidence, friendships, leadership skills, and memorable experiences that shape their lives for years to come.

Our music ministry also serves the broader Richmond community. Through worship, concerts, and partnerships with local arts organizations, we use music to enrich parish life, build community, and strengthen faith.

The **All Saints Music Education Fund** helps to make this work possible—supporting the needs of the choirs, the concerts, and the many educational opportunities we provide. We invite you to be part of this life-changing ministry of music by making a tax-deductible contribution. Checks may be made payable to All Saints Music Education Fund, or you can scan the QR code below (select “Music Education Fund” in the dropdown menu).

Together, with your generosity, we can continue raising up the next generation of musicians and leaders, sharing the gift of music in ways that inspire and transform lives.

CHOIR MEMBERSHIP

Choir membership at All Saints is open to everyone—no church affiliation or prior experience required.

We offer musical opportunities for all ages. The **Training Choir** welcomes children in grades 1–4, giving them a foundation in musical literacy before moving on to the **Choristers Choir**. Older boys and girls usually enter the Choristers Choir beginning at age 8 or 3rd grade, though new singers are welcome at any stage. Parents of interested choristers may contact the Director of Music for details or attend an upcoming choir open house.

Adult singers of every level are warmly invited to join the **All Saints Choir**—no audition necessary. Those with advanced musical training are encouraged to audition for the **Schola Cantorum**, which provides primary support to the Choristers.

For more information about choir membership and rehearsal schedules, please contact Scott Hayes, Director of Music.
